Beowulf: An Epic Rap

(He's a Geat. Beowulf)

Yo, Beowulf, he was just a geat
When vikings were eaten by a very strange monster
It was alive to pillage, kill, and eat

(He's gonna beat 'em all cause he's Beowulf)

When their swords didn't work, the vikings they just quit
Then Beowulf tried another tactic
There was a great big tear, grendel's arm just ripped
Beowulf won and took a gift

(Beowulf, beowulf)

When he rose from the lake they realized
He had beat grendel's mom he was a real strong guy
He could drop his sword, and he wouldn't die
He had much more courage than the other geats

It was then that he knew what he had to do
He had to beat all the monsters that were coming through
He's gonna fight to get into Valhalla!

He's gonna beat 'em all cause he's Beowulf
Gonna beat 'em all cause he's Beowulf
Gonna beat 'em all cause he's (Beowulf)
